Lift your glad voices and
swell out your lays,
Singing for Mayfield the
loudest of praise.
Honors of glorious victories
abound,
Lift up your voices till
echoes resound.

Sons of our school through the
years always stand,
Shoulder to shoulder and proud
of our land.
Building forever a refuge from
wrong,
Home of the bravest and land
of the strong.

Soft in the evening our songs we will sing,
Memories of school days the harmonies bring.
Go back to Mayfield, ye sons of her fold,
Once more to honor and cheer as of old.

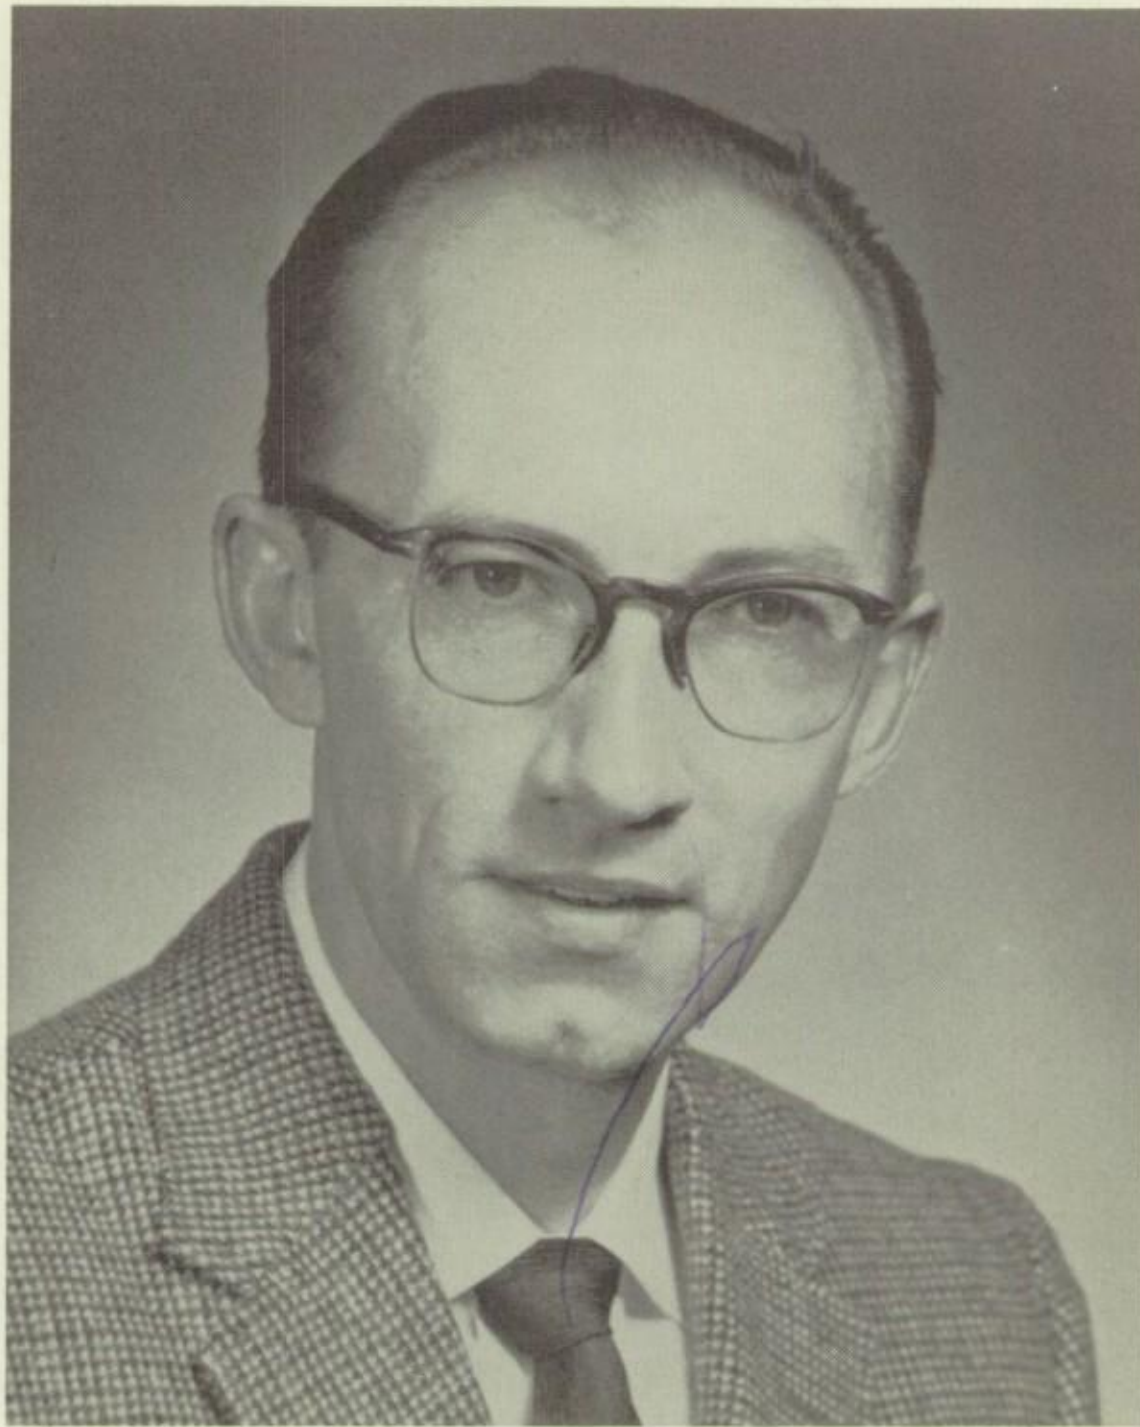

To Our Parents —

We, the class of '60, wish to dedicate our year-book to our parents, who, through their untiring patience and lasting efforts encouraged us to realize our aims in life, and have provided the means of obtaining them.

Throughout the years, our parents have influenced us to judge for ourselves what the future has to offer. We sincerely hope that we shall fulfill their expectations and live up to their highest standards.

In Appreciation

We, as Seniors, greatly appreciate the efforts of our senior advisor, a man who has advised us in all the activities of our senior year. Without the hard work and guidance on the part of this individual, we would undoubtedly never be able to enjoy our senior trip in Washington. Mr. John Slack is the person we thank for making our senior year so pleasant and memorable.

Every student has had Mr. Slack as a teacher during his high school career, and each of us remembers him as a friend willing to help whenever he is needed. We Seniors are sorry to say "good-bye," Mr. Slack.

PRINCIPAL'S MESSAGE

To the Class of '60:

During your lifetime there have been more advancements than in any other comparable period in history. Preservation in the packaging and marketing of foods, the manufacture of so-called miracle fibers, progress in medicine and the control of disease, the harnessing of the atom, resulting in unlimited amounts of energy, rapid transportation by jet propulsion, and mass communication by television are but a few of the fields of research and progress. As a result of these many changes, there are greater opportunities than ever before for young people.

It is my hope that each of you will take advantage of these benefits and enjoy a full and happy life.

Prophecy

DATELINE: Consanguineous Visit
Mayfield, year 2, 000 (MP)
Planet Maymeadow, thirty-third universe, visits metropolis Mayfield.

Herdman Air Base is the touchdown pad. MICHAEL HERDMAN, chief pilot of pilotless planes, welcomes the far-out visitors. Mike introduces the Maymeadowmen to chief engineer, EUGENE MUSSEN. Their conversation is interrupted as a reception aggregation and news reporters arrive on the scene. CAROLYN BOOTH has just cut her engines and as the smoke clears, we notice KARYL REED's car. As the cars evacuate, I recognize two more former classmates. PATRICIA RISK and ORLETTA ROPETER, secretaries, are taking notes on this Mayfield shaking event. DALE BURNETT and CLIFF COLE, top news reporters, are using this year's Nobel War Prize Winner - an electro-magnetic camera designed by CHARLES WHITMAN.

KATHLEEN SILL is acting hostess. She is escorting our guests from the air base to Lee's Pavilion where they will dine. DONALD BELLEN, driving an over-grown Saab, is the chauffeur. ROBERT BEDELL, proprietor of the pavilion, has "big" JOHN ESCHLER as chief chef. DANIEL HERRICK, head waiter, seats the guests as JOAN BLOWERS and DOROTHY GRAY take the orders. SHERRIE PETERSON and SHIRLEY TIMMERMAN provide the floor show headed by "Legs Banker." Yes, EDWARD BANKER heads the chorus line.

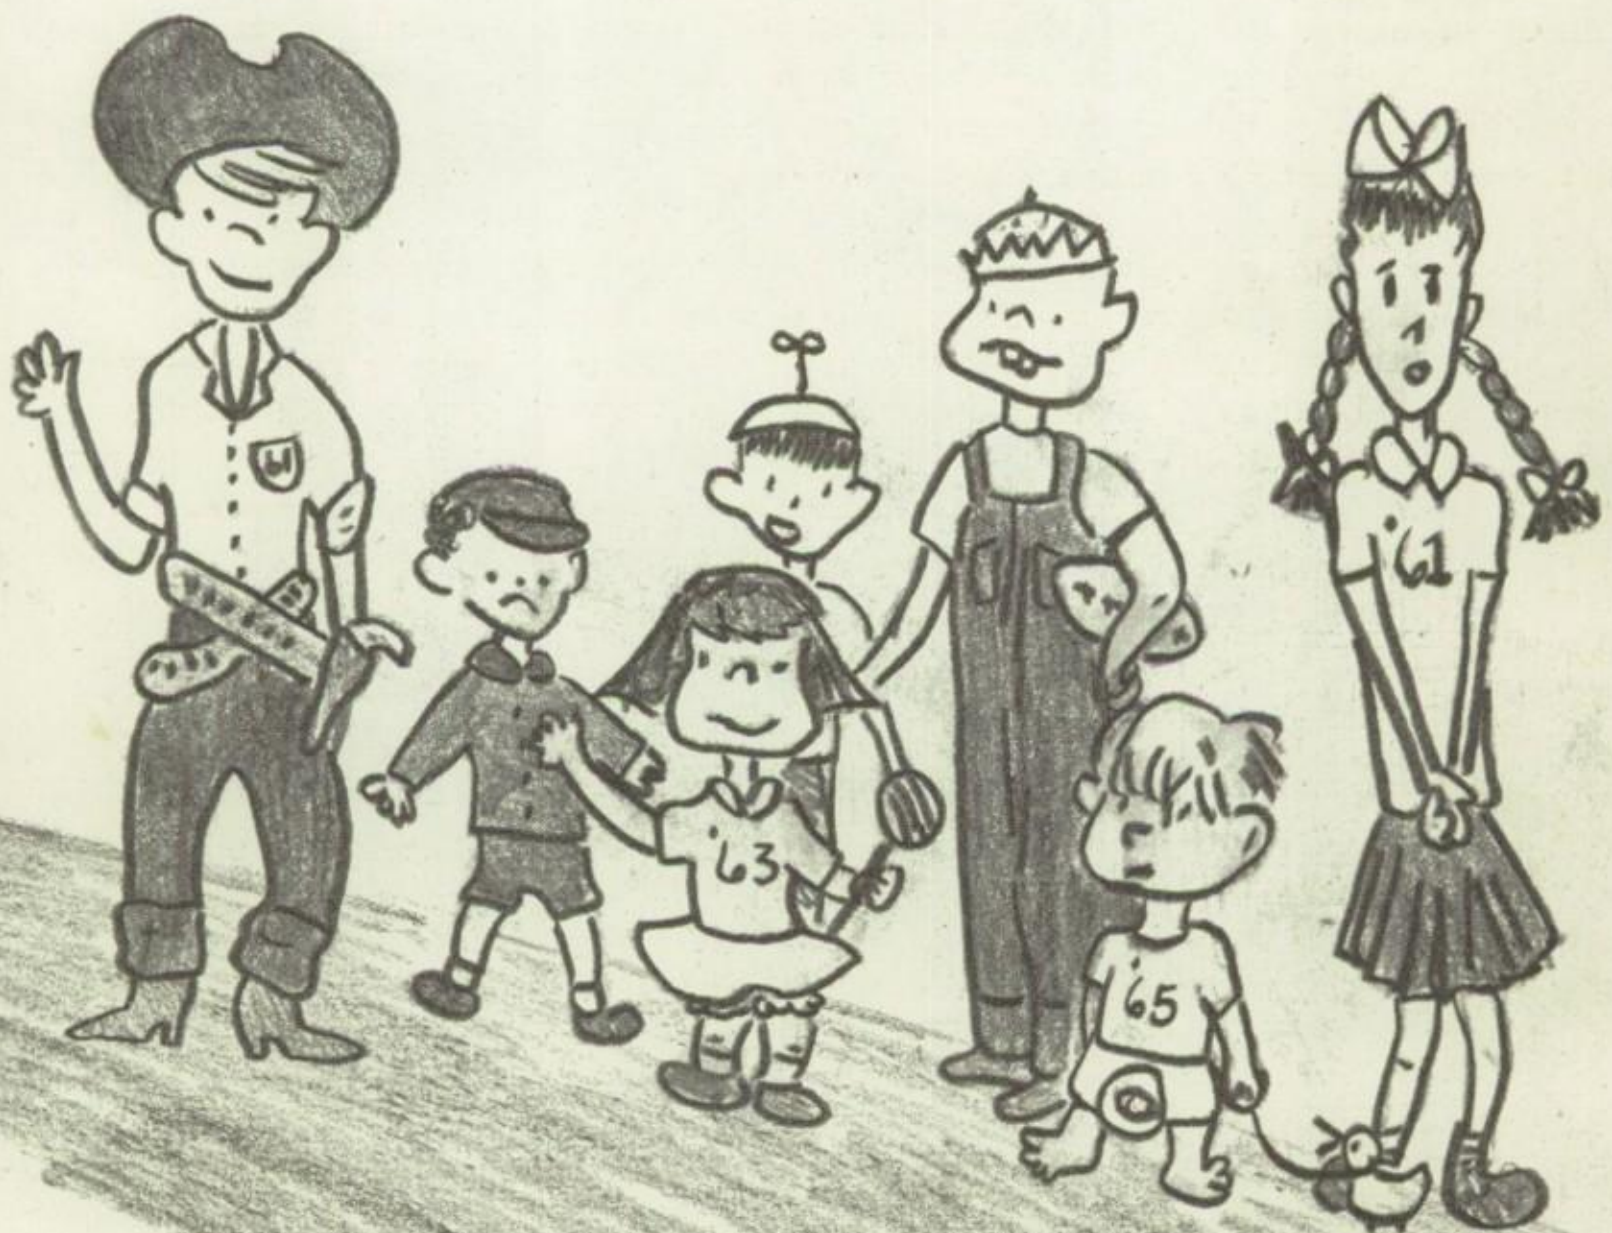

The Kaczor Kronicle editor, RONALD KACZOR, is diligently working on the news story of the arrival of the Maymeadowmen. BARBARA CRAIG is Ronnie's top cartoonist and this is my place of employment also. The circulation of this daily paper entails meeting another old friend, RUSSELLEY HAYES. Short has a paper route of her own now - her first stop being the HALLEN-BECK residence. CAROL is presently operating two IBM machines, one with each hand. Carol's secretary, BEVERLE HINDS, lends a hand now and then.

Kaye has just arrived at a beautiful motel, run by NANCY YOST, ELAINE UNGER, and NANCY WHITMAN, where the outer-space guests spent the night. On a tour of the town, a stop at the local mortuary run by DENNIS "Ulysses" JONES is a must. Another point of interest seems to be DONALD ELLIS' famous "4 Finger Glove Shop." Several old classmates are employed here: KAREN AUSTIN, LORRAINE BUTTON, CAROL HESS, JOSEPH KADLE, and DENNIS MILLER. Before leaving, we ask Don why he makes 4 finger gloves, and he tells us that he believes that there should be "thumb" individuality between persons in this day and age. Another turn brings us to Meco. Here we stop to observe the community. The third floor of the fire house holds the official officers of the city. I seem to recall the two top officials. PHYLLIS PERKINS heads the publicity committee and SHARON LEWIS is the Dog Catcher, both being former classmates. Kaye now escorts our guests to Mayfield's second largest industry, the "Claude Suspender Factory" headed by VICTOR MARCAIS. ROSEMARIE HARRINGTON, GAIL LITTLE, and SALLY SWEET are employed here as models. This industry is a sure gold mine. ROGER TITUS and BOB PARMENTER are just returning from the salt mines in Siberia where they head production. On returning to Mayfield, they stop off in Hollywood picking up WILLIAM "Holden" VOMASKA and two debutants, SANDRA PERRY and CAROLE DeROCKER. When this group arrives back in Mayfield, they are surprised to see the visiting Maymeadowmen.

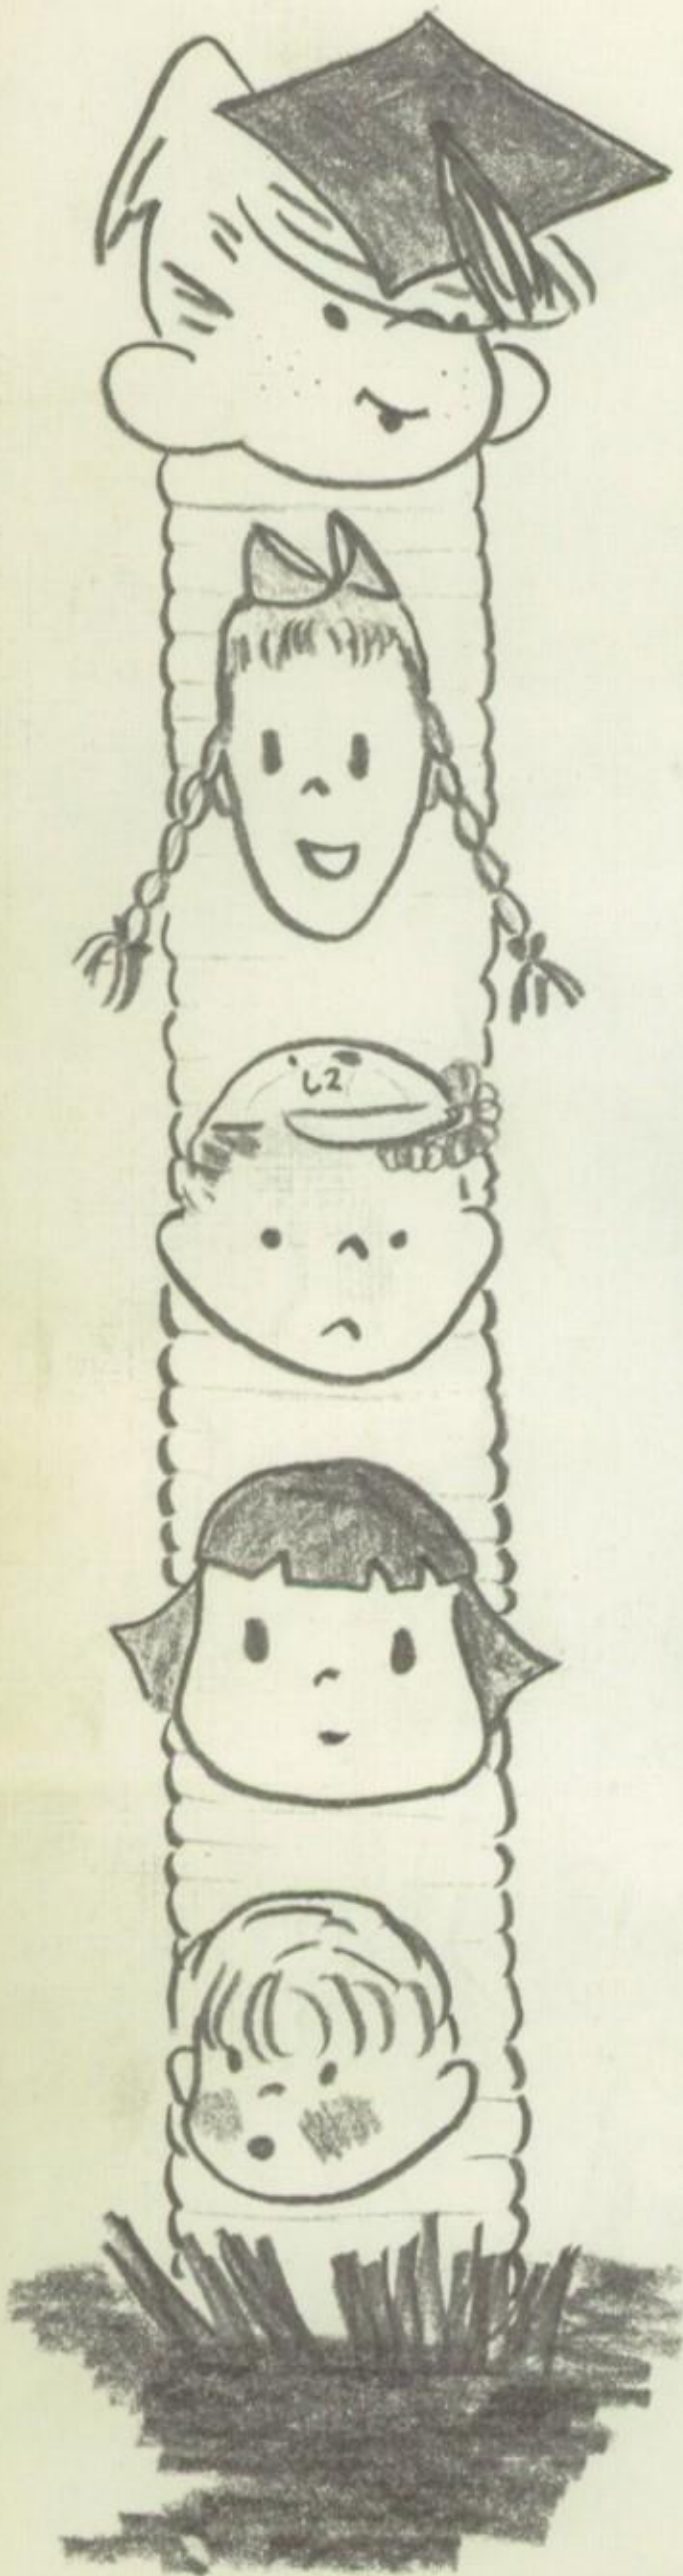

Before returning to the thirty-third universe, a citizens committee comprised of AUDREY BRAND, BETTY JEAN PARRY, SANDRA OSBORN, and MARJORIE SMITH have planned an elaborate farewell party. As the ship prepares for blast-off, BOB BODUCH bids a final "au revoir" to our visitors and welcomes them to touchdown anytime.

I seem to have encountered the entire alumni of the Class of '60 and discovered where their paths of endeavor have carried them while covering this local news event. Best Wishes to all - your "Kronic Kronicle Reporter," PATRICIA ZEH.

Baseball

Mayfield Central ended its baseball season with a 4-2 record. A split with St. Mary's of Amsterdam gave us an overall record of 5 wins and 3 losses in a shortened season. We tied Perth for 2nd place in the league which Northville won. Mayfield scored 54 runs on 51 hits and allowed only 37 runs to be scored against us in the 8 games scheduled. Only 6 league games were played this year to allow time for sectional play at the end of the season. Dropping the first two league games to Perth and Northville the first week of the season, the team improved rapidly and won the last four games.

Soccer

About 25 boys reported to practice for the 1959 soccer season. Mayfield started the season with two fine wins over Wells and Galway, but Fonda-Fultonville ended the streak. Broadalbin and Perth went down to defeat and a scoreless tie with Northville kept us in league contention. Wells and Galway proved victims again, but Fonda-Fultonville turned the tide 5-2. Broadalbin held us to a scoreless tie and Northville ended the season by beating us to cop the league title.

With the basketball season almost over, the varsity still has a slight chance to win the league crown. Some tough luck in mid-season prevented the team from going further. But with almost half of the squad returning next year, Mayfield should be a strong threat for the championship.

ACTIVITIES

Student Council

After a colorful campaign, Student Council convened in October. It launched into its first project of adding to the Christmas decorations on the school. Then, after much thoughtful consideration on the corridor problem, Student Council inaugurated the corridor patrol. The new patrol has met with success thus far, and is now acting as a separate unit.

Howdy!

You can't expect much when we're not on stage.

Darling!

We work so hard.

Which one's the culprit?

Happy-go-lucky stage crew.

Step right up and get your programs.

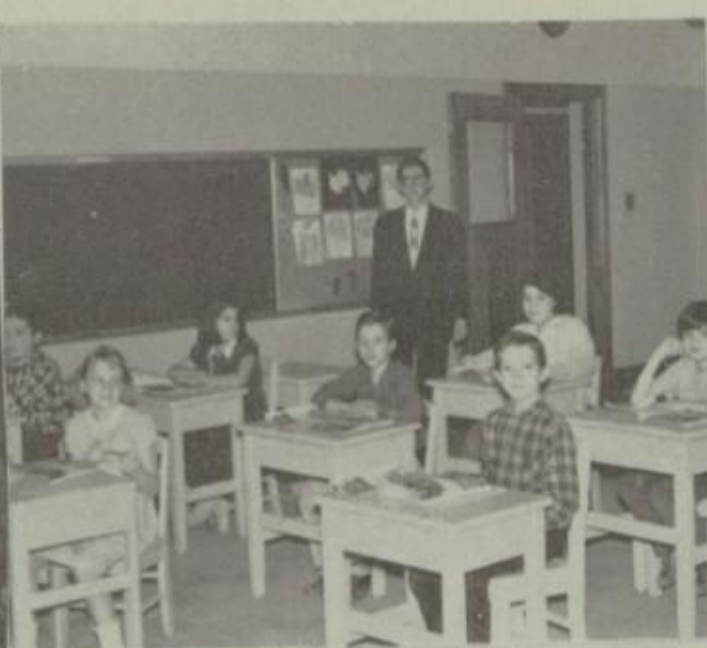

Darling, why don't you shave?

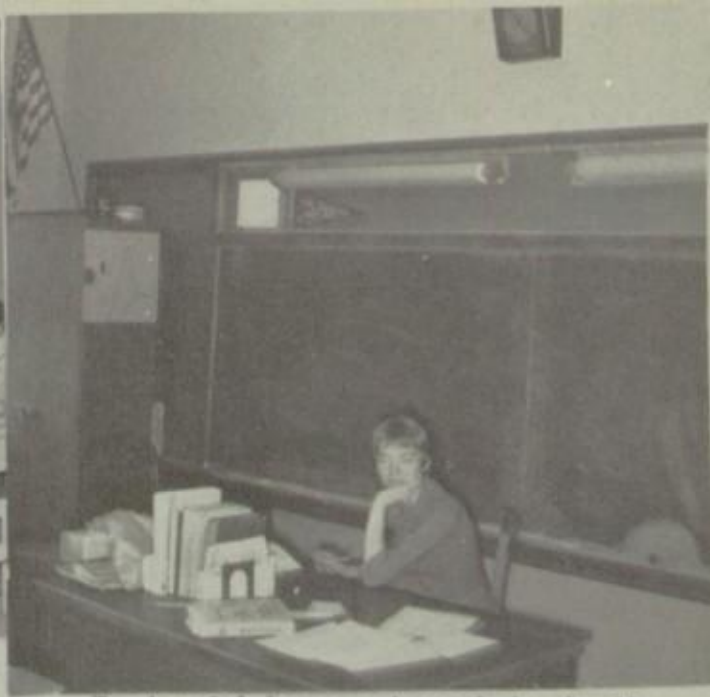

They're calling the police, Harry!

And you think you've got troubles!

And you think Howdy Doody rated with the kids!

I should have stayed in bed!

Wait 'til I get my hands on some clay!

Well, it was a good try.

And now for my next trick.

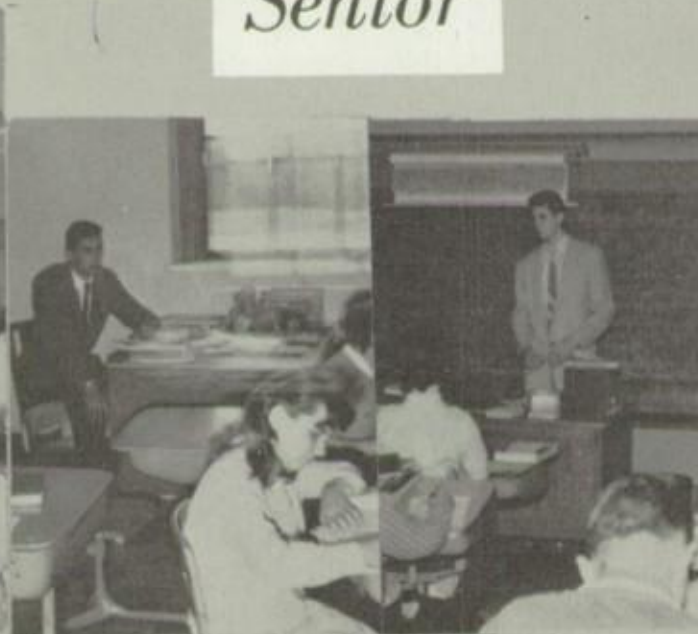

Who's running this class anyway?

Senior

They said it couldn't be done.

I feel like an outsider.

They stumped me again.

One for you, one for me.

I just love Dewey and his decimals!

We should plan our future together.

Are these kids camera shy?

Good morning, dear children.

One thing's for sure, the wall
will never fall down.

I've got the whole world in my
hands.

Now I get the drift of the story.

Does 2 and 2 equal 4?

Give me strength.

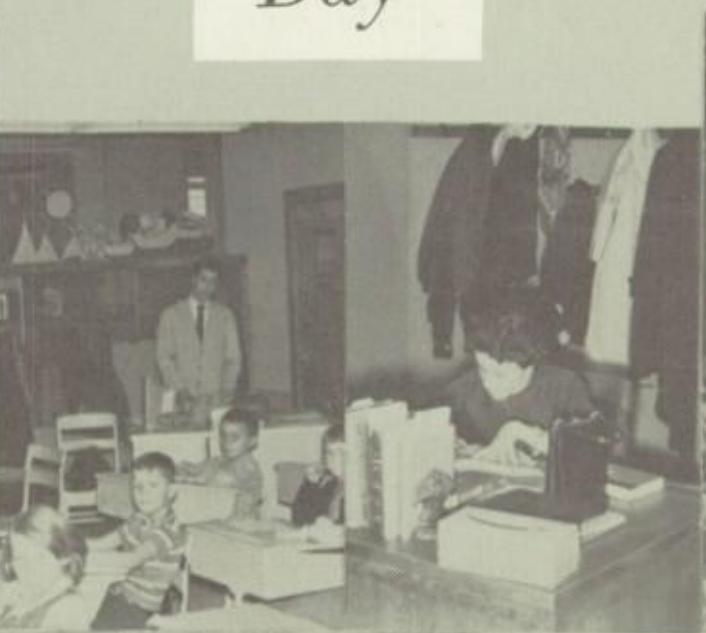

Why don't they have an answer
book?

Day

I've got these kids fooled.

I'm not cut out for this.

I really must do my nails.

Don't you dare raise your
heads!

Keep looking, Doctor, I know
he's got a heart.

I think we've got the wrong book!

Happy days are here again.

Epilogue

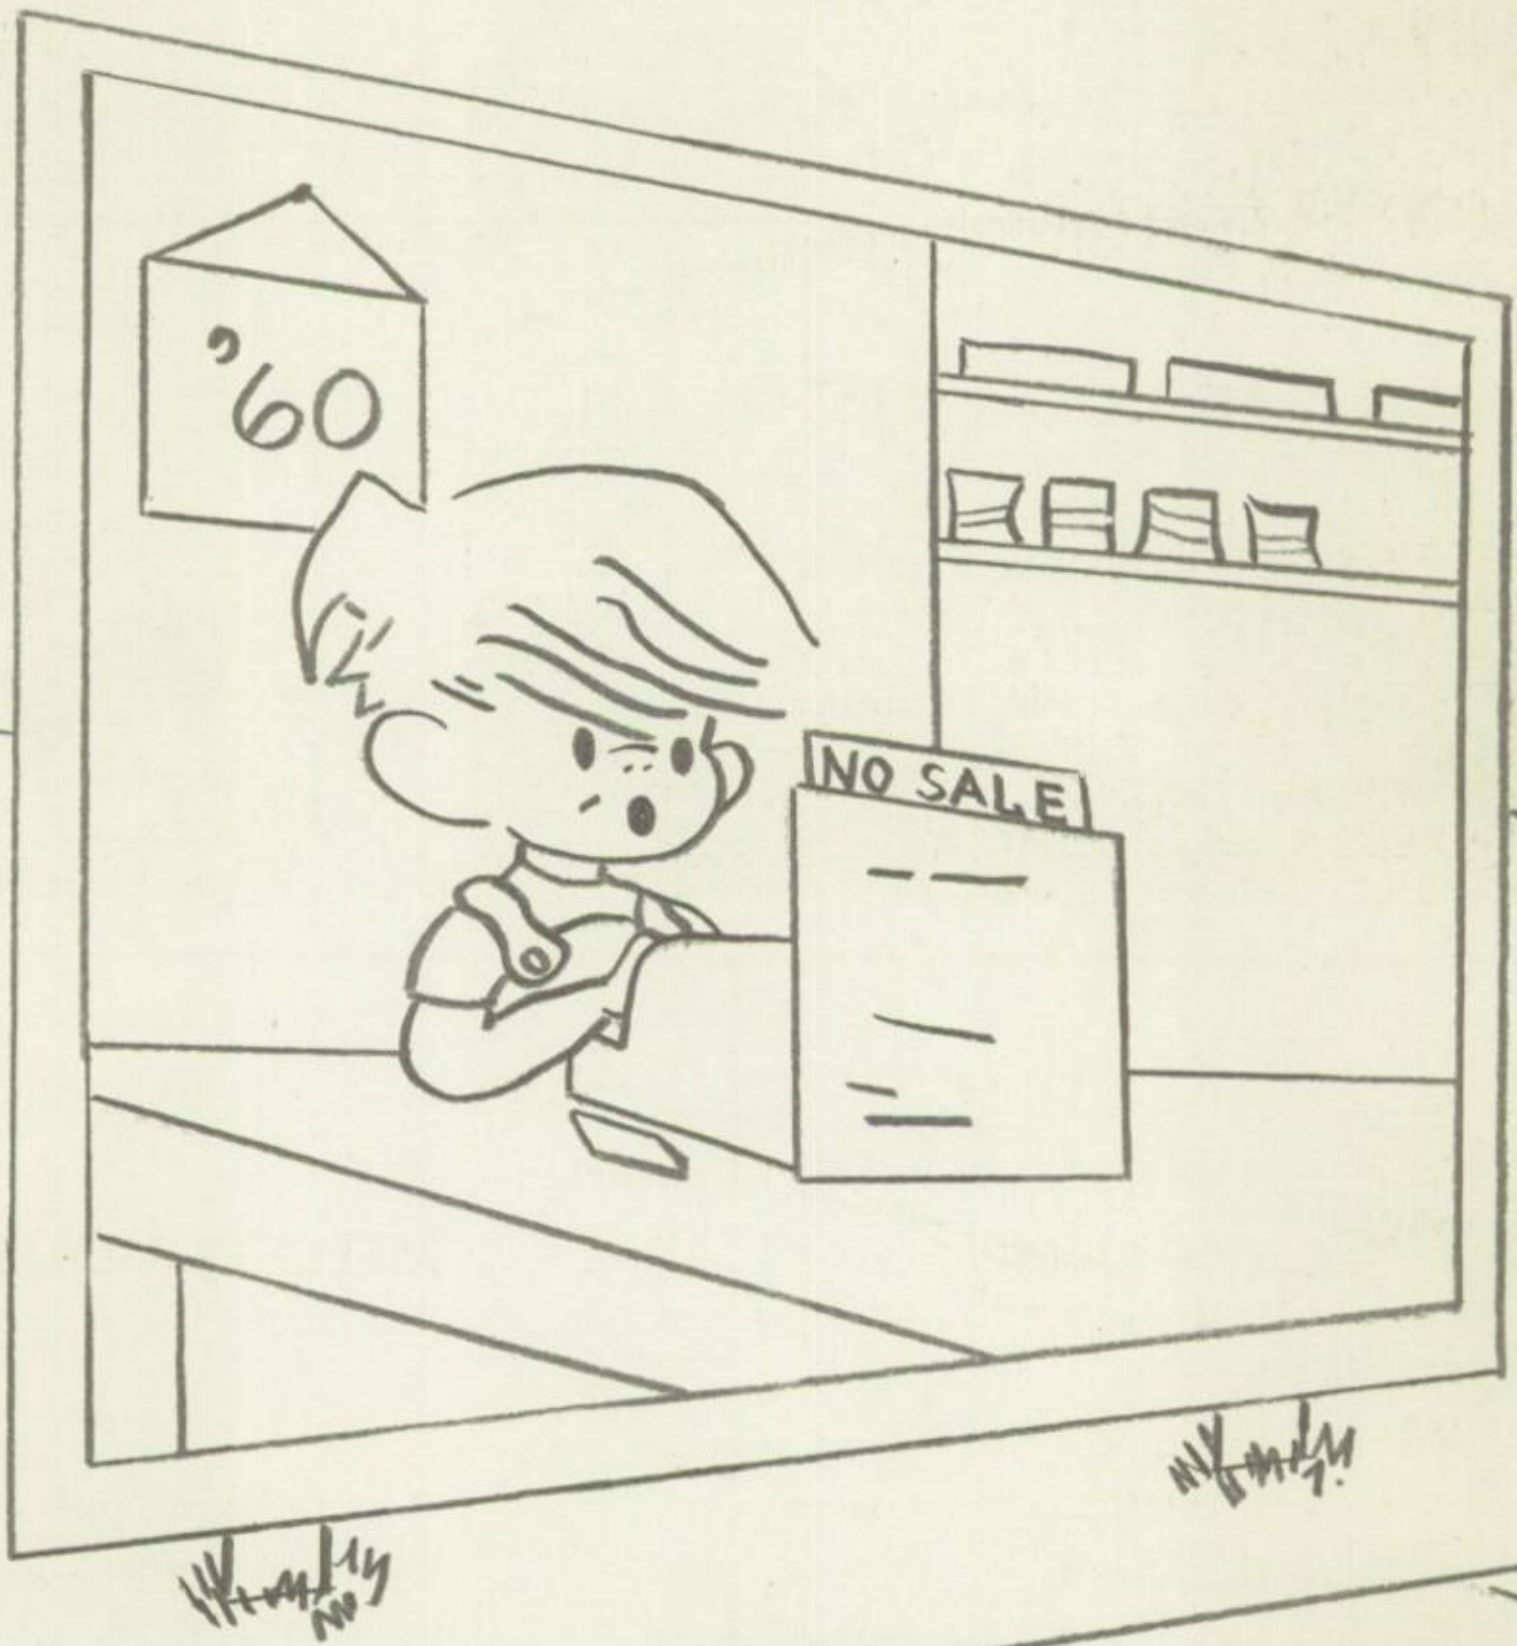

The Mayfield Central School was completed in the year 1939. The Class of 1960 entered school in 1947, the school enrollment being approximately 500 students. At the close of this school year, the graduating senior class numbered 23.

In 1954, 64 of us graduated from elementary school to start our junior high school career. The student population for this year was about 700, and the graduating class remained at 23.

We entered high school in 1956. Our class had grown to include 73 members. The students receiving graduation diplomas had increased to 31 from an approximate enrollment of 775.

Now, we have reached our closing year of high school education. One of the most important changes which has taken place during our brief enrollment at Mayfield was the construction of an elementary school. Opened this year, it accommodates a portion of our 1,000 student enrollment; the largest student body Mayfield has ever experienced. Our graduating class has also set a new high of 54, exceeding last year's class by 18.
